

Zartin®

Liquid

NEW!
Ready to use!

ZARTIN® – “The VAN HEES Original” NEW in liquid form.

Item-No. 104 433

ZARTIN® Liquid Liquid is a ready to use additive for direct application. ZARTIN® Liquid includes all characteristics of ZARTIN® to guarantee tenderness, juiciness and freshness for meat specialties.

ZARTIN® Liquid optimizes by its specific composition the tenderness of meat products significantly and stabilizes the water-binding capacity.

The consumer experience the meat specialties more tender, juicier and fresher than ever!

ZARTIN® Liquid is ideal for ready for use dishes.

Usage: 100 g/kg

Simply mix meat with ZARTIN® Liquid thoroughly.

YOUR BENEFITS:

- Ready to use
- Tender and juicy meat
- Clear meat taste
- Consistent quality in final products
- Reduced weight loss
- Optimized water binding
- Fresh stable
